SUPPLIES TO BRING: LED lights ONLY. No exceptions. This must be checked by a representative before you begin decorating. Extension cord must be an outdoor extension cord. Decorations must be able to withstand outdoor conditions, wind and rain. Zip-ties, pipe cleaners, string or other ties to secure your decorations are recommended. Use plastic drop cloths or other coverings for the fence and grass if you plan to spray paint your tree.

WHEN YOU ARRIVE AT THE PARK: A check in table will be set up with a Representative or volunteer. Look for the check in sign. You will "claim" your tree with your sign. Signs will be picked up at check in. BRING YOUR LIGHTS. Your LED lights and extension cord must be checked before decorating your tree.

DECORATING TIPS: Make sure your decorations are rain and wind safe. Trees will be standing outside in the elements for over 30 days. IMPORTANT: Secure ornaments to trees using zip ties, pipe cleaner, string, wire or other ties. Ornament hooks will fall off in the wind. Do not use water-soluble glue on ornaments.
