Decorating Information

DECATORING DAY: November 22- 24

SUPPLIES TO BRING: LED lights ONLY. No exceptions. Extension cord must be an outdoor extension cord at least 25 ft. long . Decorations must be able to withstand outdoor conditions, wind and rain. Zip-ties, pipe cleaners, string or other ties to secure your decorations are recommended. We suggest purchasing a spotlight for additional lighting at night.

STAKING YOUR TREE: You will be responsible for staking your tree to prevent it from falling. We recommend wood, rebar, or metal stakes no longer than 12 inches. We wouldn't want you to drive a stake into underground electricity, so keep it under 12 inches. Please bring string or wire or string to secure your tree to the stakes.

WHEN YOU ARRIVE AT THE PARK: A check in table will be set up with a Representative or volunteer. Look for the check in sign. If you have not already chosen your spot, you will "claim" your tree with your sign. Signs will be picked up at check in. BRING YOUR LIGHTS. Your LED lights, extension cord, and stakes must be checked before decorating your tree.

UNDECORATING YOUR TREE: JANUARY 3 - 7 | Sponsors are responsible for undecorating their tree between the dates listed above. If a sponsor fails to undecorate their tree, the decorations will be thrown away, and they will not be given first opportunity to sponsor a tree the following year.
